1/32 scale.

\$49.99

★ Lull Telehandler - Model 944E-42

LUL900

The versatile 944E Telehandler reflects the historic performance and power with 8 molds and over 60 individually-detailed parts. As a beautiful miniature of the original model, our remarkable model presents another exciting edition to your collection. 1/32 scale.

\$49.99

JLG Toy Telehandler

JLG930

Recommended age: from 3 years, for playing indoors and outdoors. Four wheel steering with silver handle. Telescopic arm can be adjusted vertically using the silver turning handle. Telescopic arm can be extended using the silver crank. The angle of the bucket can be adjusted using the silver turning handle. The bucket can be replaced with other tools. Drivers cab made from transparent, break-proof polycarbonate, with a door which can be opened and shut.

\$29.95

★ SkyTrak Telehandler - Model 8042

SKY900

Complete with "all-the-right-stuff," our incomparable replica of the model 8042 features stunning details and realistic functionality with approximately 67 moving parts and 8 molds. The accurate scale and superior workmanship makes this SkyTrak an absolute must for every collector (7-inch actual size). 1/32 scale.

\$49.99

MODELS

★ JLG European Telehandler - Model 4013

JLG903

With 11 molds and 87 parts, you can feel the power and performance of our JLG 4013 European Telehandler! At 7.5-inches tall, this outstanding die-cast replica will help bring this machine to life when you place it in your hands. 1/32 scale.

\$49.99

★ JLG Trailer-Mounted Boom Lift Model

JLG905

This die-cast replica accurately captures the capability offered in JLG's trailer-mounted boom lift, the TOW-PRO T350. To show the increased flexibility of motion and wide variety of working shapes, the four self-leveling outriggers lower to stabilize the unit for functional lifting of the boom and platform basket. This 1:32nd scale model features engineering details, a high-quality paint scheme, and accurate decals for a realistic appearance. To enhance the realism of this collector-quality die-cast replica, the TOW-PRO T350 from JLG Industries, Inc. comes equipped with a material-handling hook that can be interchanged with the platform basket to create fun and dynamic displays.

\$59.99

★ JLG Liflux Diesel Scissor Lift Model

JLG907

This robust die-cast 1:32nd scale model of the iconic LIFTLUX 260-25 from JLG Industries, Inc. is the largest aerial work platform in the model world today. With a fully functioning scissor assembly this model is able to extend to nearly 3-feet into the air. The extensive detailing of the LIFTLUX 260-25, from all angles, shows the numerous features including: the powerful diesel engine; operator control station; functioning outriggers; and deck extension. JLG's new variable height locking technology on this jumbo scissor lift helps make the LIFTLUX a truly unique collectible.

\$89.99

★ JLG Telescopic Boom Lift Model

JLG904

This must see die-cast replica features JLG's new locking technology that will allow the boom on the 860SJ to extend up to an eye-catching 34 -inch elevation. Inspired by our flagship unit, the classic JLG cream and brilliant orange paint scheme exemplifies the beauty and power of the 860SJ. This model also features detailed basket controls and the new SkyWelder accessory from Miller Welding. Model details include a fully functioning 130 degree jib, 180 degree platform rotation, gull-wing hoods, 360 degree rotating super structure, and oscillating front axle just like the real 860SJ from JLG Industries, Inc.

\$89.99

★ JLG Mobile Stock Picker Model

JLG906

One of JLG Industries, Inc. most distinctive 1:32nd scale models, the 10MSP (Mobile Stock Picker) allows users to extend the mast into multiple life-like configurations. This mobile machine features working front caster style wheels, a material-loading tray that can be placed in multiple positions, and saloon-style gated entry to the platform basket. The sleek silver-styling and charcoal-painted frame highlights the 10MSP replica as a must-have for any collector.

\$29.99

★ JLG Toucan Boom LIFT-1210 (Europe)

JLG908

Featuring JLG unique Lift and lock technology, the mast and jib on the 1:32-scale die-cast version of the Toucan will allow multiple-height positioning of the work platform to heights over thirteen-inches (13 inches) tall. Highlighting the realism and functionality of the full-size mast boom lift, the design of this die-cast replica is enhanced with multi-directional front moving wheels, as well as a three-hundred sixty-degree (360°) rotating turret utilized for max flexibility and positioning capabilities.

\$39.99

MODELS

★ JLG Military Telehandler Camouflage Green

JLG912

Measuring over 16 inches in length, the scale model replicas of the ATLAS II will have the ability to extend their three-section boom over 10 inches in the air at angles up to 45 degrees. These models feature JLG Lift and Lock technology that allows collectors to display the machines in the working position.

\$69.99

★ JLG Ultra Boom Lift - Model 1250AJP

JLG901

A strong and tough version of our 125-foot workhorse, this 11-inch behemoth is highlighted with full boom extension, opening hood, and full engine detailing. Certain to become a "classic," our amazing JLG Ultra Boom Lift 1250 model is a top-of-the-line collectible in every aspect. 1/32 scale.

\$89.99

★ JLG Military Telehandler Desert Tan

JLG911

Measuring over 16 inches in length, the scale model replicas of the ATLAS II will have the ability to extend their three-section boom over 10 inches in the air at angles up to 45 degrees. These models feature JLG Lift and Lock technology that allows collectors to display the machines in the working position.

\$69.99

★ JLG Scissor Lift - Model 3394RT

JLG902

This stout, highly-crafted die-cast allows full extension of the scissors and also the platform. With over 67 lustrous parts, this genuine 4.75-inch scale model of the JLG 3394RT Scissor Lift has an astounding presence and will make you gleam with pride as an exciting addition to your collection. 1/32 scale.

\$49.99

★ JLG 2646ES Electric Scissor Lift

JLG910

With many of its highly-detailed components easily visible on this Electric Scissor Lift model, the JLG 2646ES replica scissor-function can lift the platform nearly 10 inches into the air to provide realistic product displays or presentations for dealers and customers alike. Designed with JLG's unique Lift and Lock technology, the 2646ES die-cast replicas can be displayed with the platform raised at various intervals from a stowed height of 3 inches to full extension and everywhere in-between.

\$49.99

★ JLG USA Boom Lift- E33MJ JLG909

Featuring JLG unique Lift and Lock technology, the mast and jib on the 1:32-scale die-cast version of the Toucan will allow multiple-height positioning of the work platform to heights over thirteen-inches (13 inches) tall. Highlighting the realism and functionality of the full-size mast boom lift, the design of this die-cast replica is enhanced with multi-directional front moving wheels, as well as, a three-hundred sixty-degree (3600) rotating turret utilized for maximum flexibility and unmatched positioning capabilities.
